# Ten Minute Plays...

Welcome to the wonderful world of the ten-minute play. The OAP team is excited to present eight of them in our fourth Festival of One Act Plays (FOAP 4) On Your Mark...Get Set...Laugh! Playwright Bruce Kane introduces us to a world where the actors on stage become the audience, where a man, wife and his mistress, an emotional masochist, and an emotional sadist, a creatively blocked actress as well as a jealous car computer are all part of the show. We have an older couple of actors meeting themselves as young actors, an old west prospector, middle aged Batman and Superman and tons more.
