## A MESSAGE FROM OUR ARTISTIC DIRECTOR

Welcome to Theatre Woodstock!

I'm Bailey, the new volunteer Artistic Director for Stages. I have been the Resident Choreographer for Stages Senior Company since our inaugural show in 2017, so I am no stranger to this amazing program. I have a Bachelor of Fine Arts in Performance Dance and Choreography, as well as a Bachelor of Education and was a teacher for many years. I now work for a software development company and absolutely love it!

In case you didn't know, Stages is a volunteer run organization. From me, the Artistic Director to our Artistic Teams, Tech Crew, Assistant Stage Managers, Producers, Costume Teams, Set Builders and so on, we could not operate without the dedication of all of our wonderful volunteers. I would like to express my deep gratitude to everyone involved in keeping our program on its feet. It's all worth it to see the kids shine!

Bailey Thibodeau

## SHOW SYNOPSIS

Aliens intercept a signal from Earth about the most prestigious prize on the planet – a county fair blue ribbon. They decide to enter their cow in the fair’s Best Cow contest so they can be the talk of the solar system. After landing on Earth on the Oxen Rutabaga Farm, they are discovered by a young girl named Maisy. In the hysterical confusion of meeting a human, the aliens accidentally switch their cow for Maisy’s cow, Daisy Belle. With the fast-approaching contest, the aliens and humans both plot to switch back the bovines. Complicating matters is a simple-minded detective, Lt. Applebottom, and his team of alien catchers – who are really the police station custodians. Will the cows get switched back in time? Will Lt. Applebottom catch the aliens? And how do grilled cheese sandwiches become a peace offering?

## Scene List

- Scene One: An alien spaceship flying above Earth
- Scene Two: A summer evening at the Oxen Farm in Iowa.
- Scene Three: Oxen Farm, a short time later.
- Scene Four: Oxen Farm, the next morning.
- Scene Five: Lt. Applebottom’s office at the police station.
- Scene Six: Alien spaceship, that night.

- Scene Eight: The County Fair, that afternoon.

## A MESSAGE FROM THE DIRECTOR

Welcome, everyone to Oxen farm and beyond. Thank you for joining us for Canada's first ever production of Switchermoo: A Cosmic Cow Caper! Throughout this production, our talented cast has worked tirelessly to bring this story to life with joy, laughter, and heart. Through comedy, song and dance, the characters reflect the rich diversity of the world we live in, showing that it's our differences that truly make us stronger.

“My favorite part of this story is how, even through all the funny lines and wacky events, we learn to come together over the things we have in common.” - Timothy Stammeyer, playwright.

Sit back, relax, and enjoy the comedy unfold. We're so excited to share this moment with you!

Warmly,  
Kennedy Wilson  
Director

# A MESSAGE FROM THE DIRECTOR

Working on *We Will Rock You* has been an absolute pleasure. The team of volunteers who helped make this magic happen were some of the most delightful human beings that I've ever had the pleasure of working alongside. This was an exceptionally challenging play, with a large cast of bright, talented children.

The team had high expectations and the children met and exceeded those expectations on a weekly basis, working hard to bring the spirit of Rock and Roll to the stage. Beau, Cailiegh, Alicia, Chloe, Stephen, Scott, Maria, and Kevin all deserve extra thanks for the unbelievable work and passion they each brought to the creation of this art and each and every child who showed up, danced, sang, acted, and laughed with us, deserve so much credit for putting up with my nonsense and for encompassing the passion and message behind this tribute to all things that question the norm and celebrate our voices, differences, and passions.

You all would have made Freddy so proud.

# Switchermoo! ARTISTIC TEAM

## DIRECTOR: Kennedy Wilson

Kennedy is thrilled to be making her directing debut with *Switchermoo!* After 20 years on stage (most recently, *Cinderella* - Theatre Woodstock), she is ecstatic to be venturing on the directing journey. This is her first year supporting Stages and she would like to thank the entire artistic team for their warm welcome. Kennedy believes in the power of theatre to inspire creativity and foster a love for the arts in young minds, and hopes you can feel the love poured into the story by the tremendous First Stagers cast.

## STAGE MANAGER: Sylvie Weir

Having previously worked with the 2nd Stagers as both Stage Manager (*Dear Edwina Jr*), and director (*Giants in the Sky*), Sylvie is thrilled to have the opportunity to work with the 1st Stagers on *Switchermoo!* She has thoroughly enjoyed their creativity, passion, and teamwork during the rehearsal process. A special thanks to her family for supporting her to make her time with Stages possible.

---

# We Will Rock You ARTISTIC TEAM

## DIRECTOR: Lindsay Wilson

Lindsay Wilson is a Secondary School English and Drama teacher for the Grand Erie District School Board. She has directed many plays in the days of the Sears Drama Festival, but this is her first with Stages. At Theatre Woodstock she has acted in the *Festival of One Act Plays* and Stage Managed *When The Reaper Calls* last Fall. She is overwhelmingly impressed with the talent of the members of Second Stages.

## STAGE MANAGER: Stephen Mackenzie

Stephen is excited to take up the mantle as Stage Manager at Stages for a third show. You may recognize his name from *The Claw*, *Giants in the Sky*, and as the director for *Annie Kids* during Stages Summer Camp. He is very proud to watch the kids learn through *We Will Rock You* and Queen's music. Enjoy the show!

---

# We Will Rock You ARTISTIC TEAM

## MUSIC DIRECTOR: Beau Stasiak

Beau is thrilled to be back as Musical Director for *We Will Rock You* with such an amazing artistic team and talented cast. Beau is no stranger to Stages, acting as Music Director for *Willy Wonka Kids*, *Matilda* and *Annie Kids*. He can't wait for you to see the show!

## CHOREOGRAPHER: Caileigh McDonald

Caileigh McDonald has been a part of the theatre and dance community for over 10 years and this is her debut choreographing for Stages, although she has been a part of Stages first ever production *The Drowsy Chaperone* where she played the role of Drowsy! Caileigh has many years of dance and theatre experience, is a senior faculty member at the dance studio Artistic Movement and has choreographed and assisted for multiple youth theatre groups across Oxford County.

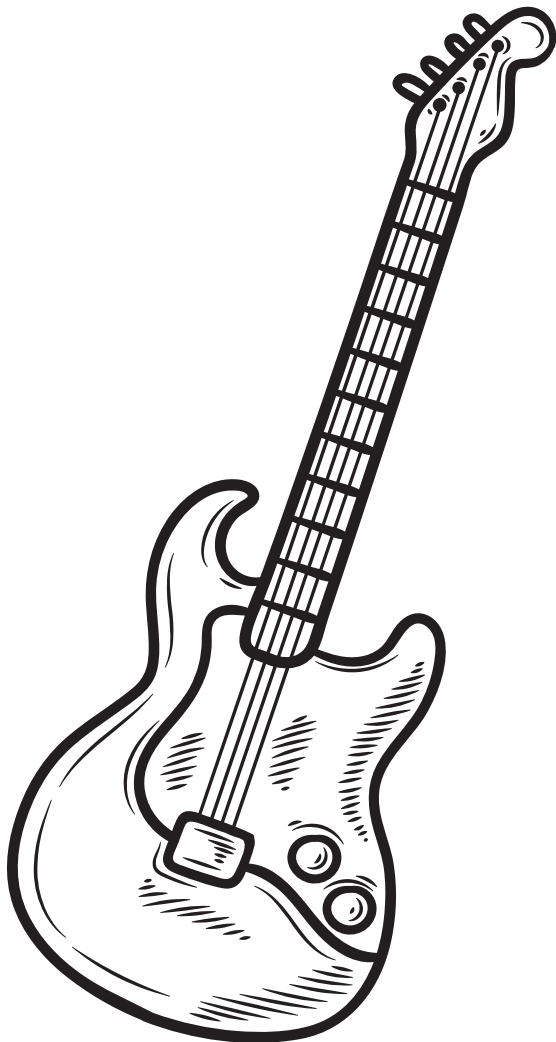

Working on *We Will Rock You* with this group of kids has been a great experience. So many of these kids bring so much eagerness to learn and grow, allowing me to challenge them and help them become better performers and prepare them for any next steps they may want to take in the world of the arts. This team has worked so hard to bring you this ambitious production and it has been a pleasure working with like minded individuals who put the kids first and make sure to give them a show they can be proud of. Thank you for coming and enjoy the show, ROCK ON!
