A Mixed-Up Fairytale

Director's Message

Pam Morris

Director - A Mixed-Up Fairytale

A Mixed-Up Fairytale takes all of the famous characters you grew up with, shakes them all up and allows a new story to be created. Characters once thought of as "evil" are given a chance to share their thoughts and feelings and become accepted into this ever-growing team of characters just trying to get to the ball. Throughout everything, characters learn to step out of their comfort zones and meet new people, all with a sense of acceptance and kindness. This year's group of actors have also had to step out of their comfort zones and try new things. Over half of our cast have joined STAGES for the very first time! They have worked hard to not only learn their lines and blocking, but they have also had to learn all of the behind the scenes work that goes into a show including stage directions, costume fittings and changes, and simply how to act on stage! Our returning students have stepped up to help guide the new actors, and provide leadership during every rehearsal. I am so proud of all of their hard work and dedication to our mixed-up little show! A big thank you to our Producer Maria, and Stage Manager Adam, and all of our amazing volunteers who have worked tirelessly to help bring our show to life! Thank you for being our Fairytale dream team!! *Hey Macarena!*

Into The Woods Jr.

Director's Message

Kennedy Wilson

Director - Into the Woods Jr.

We are thrilled to share our production of *Into the Woods Jr.*, a story that beautifully combines our favorite fairy tales into one grand, magical adventure. This musical, by Stephen Sondheim and James Lapine, shows us that chasing a "happily ever after" is far more complicated than the stories let on.

This incredible young cast and crew have shown immense dedication, humor, and heart in bringing these complex themes to life. We are immensely proud of their work and their powerful storytelling.

This production would not have been made possible without the tremendous talents of Alicia Sauvé & Karen Klein-Locke (producers), Shannon Wijnker (music), Briar Tanton (choreography), Ben Shalley (stage direction), Pete Dunbar (tech), and the numerous parent and student volunteers. Community is what brings the magic to life!

Thank you for joining us on this journey. We hope you are charmed, moved, and reminded that while the woods can be frightening, you are never truly alone in them.

Enjoy the show!

Pamela Morris (Director - *A Mixed-Up Fairytale*)

Pamela is an elementary teacher with 15 years experience with both the Peel board and Thames Valley. She got her start working with the High School Project at the Grand Theatre in London before changing lanes and becoming a teacher. This is her 10 turn at directing shows with young children, her fourth with the Theatre Woodstock Stages Program. a special shoutout to her family for supporting her during this creative endeavour!

Kennedy Wilson (Director - *Into the Woods Jr.*)

Kennedy is thrilled to be leading this fabulous cast “into the woods” for STAGES. She joined Theatre Woodstock in 2022, and played Ella in the 2024 production of *Rodgers + Hammerstein’s Cinderella*, as well as Lulu the Kit Kat Klub dancer in *Cabaret*. Kennedy previously directed *Switchermoo!* for STAGES last spring. Other previous roles include: Desiree (*A Little Night Music*); Diana (*Next to Normal*); Rose (*Dogfight*); Bridget (*Bring it On*). Kennedy would like to thank this amazing cast for their hard work, and to Mark for being endlessly supportive.

Shannon Wijnker (Music Director - *Into the Woods Jr.*)

Shannon is delighted to return as music director this season! Her last production being Cinderella in 2024. This is one of her favourite shows and she has performed the full length production as the Baker’s wife. Shannon is the Artistic Director of Theatre Woodstock and teaches elementary music in Woodstock. Thank you for supporting these talented children and community theatre.... Enjoy the show!

Briar Tanton (Choreographer - *Into the Woods Jr.*)

Briar is a recent graduate of Woodstock Collegiate Institute and she is so excited for you to see her first work as a choreographer. Briar started dancing in grade 10 and immediately fell in love with the cathartic and expressive nature of dance. Briar had such a fun time creating for this show and she is so proud of the kids for jumping into the deep end with her. They welcomed her with open arms and a willingness to learn. She is so glad that it was the first show she’s worked on as a member of the creative team. Briar would like to thank Kennedy and Shannon for believing in her from the start as well as her dance teachers: Victoria Bannon, Christina Cannella from Artistic Movement Dance Studio, and Miss Amelia from Oxford School of Dance for their endless support.
